

CREATE IBM CLOUD ACCOUNT:

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's name (Balamurugan Sampath). Below this, the main dashboard area features a 'Dashboard' header with options to 'Edit dashboard', 'Upgrade account', and 'Create resource'. A 'For you' section presents several recommended actions: 'Build' (a large blue box), 'Explore IBM Cloud Shell' (2 min), 'Get Started with the CLI' (10 min), 'Unlock the entire catalog' (10 min), 'Create a Kubernetes cluster' (20 min), and 'Deploy or' (partially visible). At the bottom, there are sections for 'User access' (with a 'Manage users' link), 'News' (with a 'View all' link and two news items), and 'Planned maintenance' (with a 'View all' link and a chat icon).
